

TO: DEER PARK VILLAGE BOARD
FROM: PAT WINKELMAN/VEHE FARM FOUNDATION
SUBJECT: MONTHLY REPORT
DATE: MAY 2008

Activities

One of the goals of the Foundation is to act on behalf of the Village in fostering public environment education programs and activities at Vehe Farm. To this end, the following work was accomplished by the Foundation since the last Village Board meeting.

- Work continues on the footprint information stands Eagle Scout project.
- Work is almost completed regarding the Eagle Scout project on the paths to and around the pillars.
- Pat Winkelman and another resident have donated their time to sand and prime the farmhouse porch pickets and posts. Boy Scouts will complete the community service project shortly.
- VFF attended the Migratory Bird count at Lake Arlington in cooperation with Prairie Woods Audubon Society to promote Vehe Farm as a community center, rental venue, and the Leave No Child Inside initiative.
- Archived photos and documents are being scanned by Barrington Area Library to be viewed on VFF website and the library's website. Please contact the VFF if the Village is interested in having the link to view the photos on their website.

Saturday afternoon 12:00p.m. to 2:00 p.m. work detail continues on the grounds. This month we are concentrating on removing garlic mustard and monitoring the bluebird trail now that the bluebirds have returned to the farm.
